I apologize for the delayed responses, I fell way behind in my email over November. Our clerk referred this to our field crews directly, was this repaired?

Dear Christopher:

I just submitted an online request to LADOT regarding a broken sign on Waring Avenue between Highland and McCadden. It is located on the south side of the street right near the alley way. I have attached a photo for your information. I know my file jpeg says Willoughby but its actually Waring.

Thank you
